ABOUT US

At 3S, we specialise in premium aluminium entrance doors that combine strength, style, and security. Designed with modern aesthetics and built to last, our doors offer beauty and durability you can trust.

As a leading aluminium door supplier in London, we provide an industry-leading 6-year warranty—unmatched in the market. Beyond our products, we offer personalised design assistance and exceptional customer support to help you find the perfect door for your home or business.

We also excel in smart lock integration, offering fingerprint locks, digital keypads, and remote access systems for enhanced security and modern convenience. Our solutions are compatible with both new and existing doors, ensuring advanced protection for residential and commercial properties.

What sets us apart is our commitment to affordable prices without compromising on quality or security. Every door is crafted with advanced safety features, and our expert team ensures a seamless, stress-free experience.

Choose 3S for aluminium entrance doors that deliver reliability, style, and unmatched service. Whether upgrading your home or securing your business, we are your trusted partner in London.

Key Features

3S Aluminium Doors?

Discover the perfect blend of energy efficiency, modern versatility, and robust security with 3S aluminium entrance doors. Our doors are designed to elevate your home's style while offering superior protection and insulation.

- **Outstanding Insulation** – Keep your home cosy with top-tier thermal efficiency.
- **Advanced Security** – Smart locks with keyless access for modern convenience.
- **Premium Finish** – Fluorocarbon Spraying for exceptional durability and style.
- **Stylish Designs** – Choose from sleek, contemporary styles tailored to your taste.
- **Customisable Options** – Personalise every detail, from colour to glass type, for a unique finish.
- **Thermal Comfort** – Exceptional insulation to reduce energy costs.
- **Vibrant Colours** – A wide palette to suit your exterior design.

Why Choose 3S Aluminium Doors?

Discover the perfect blend of energy efficiency, modern versatility, and robust security with 3S aluminium entrance doors. Our doors are designed to elevate your home's style while offering superior protection and insulation.

- ▶ **Superior Protection** – Built to resist forced entry, ensuring maximum security.
- ▶ **Weather Resistant** – Crafted to endure harsh weather, our doors resist corrosion, fading, and wear. Perfect for rain, wind, or sun, they stay functional and stylish for years.
- ▶ **Noise Control** – Integrated features for a quieter indoor environment.
- ▶ **Lasting Durability** – High-quality aluminium and finishes ensure long-term performance.
- ▶ **Exclusive 6-Year Warranty** – The only brand offering this level of guarantee.

Performance & Maintenance

Discover the perfect blend of energy efficiency, modern versatility, and robust security with 3S aluminium entrance doors. Our doors are designed to elevate your home's style while offering superior protection and insulation.

- **Energy Efficiency** – Reduce heating and cooling costs with advanced thermal insulation.
- **Low Maintenance** – Easy to clean with minimal upkeep.
- **Fluorocarbon Paint Finish** – Fluorocarbon paint ensures UV, scratch, and fade resistance. Your door stays vibrant and sleek, even after years of exposure.
- **Value Retention** – Designed to maintain their quality and appeal over time.
- **Enhanced Protection** – Advanced locking systems ensure your home stays secure.
- **Superior Thermal Insulation** – Our aluminium doors feature advanced thermal insulation, keeping your home energy-efficient year-round. Reduce heating and cooling costs with this smart, eco-friendly solution.
- **Maximum Security** – Our doors come with high-security locks and reinforced frames, providing top-tier protection. Safeguard your home or business with confidence.
